

Gloucestershire Hospitals
NHS Foundation Trust

You can now see your appointment letters online

We've partnered with DrDoctor to launch a new digital service called Patient Portal. This lets you access all of your outpatient appointment letters online.

Where you've given us your mobile number, you'll receive a text. Click the link in the message and you'll be able to view your appointment letters online, on any device.

If you'd rather not view your letters online, you don't need to do anything – your paper appointment letter will arrive as normal.

Patient Portal
