

Newent Doctors Practice

Mission, Vision, Aims, Objectives and Values

Our Mission Statement

Improving the health, well-being, and quality of life of those we care for by delivering a high-quality patient centred service that meets the needs of our community.

Our Vision

Newent Doctors practice aims to preserve continuity of care and strives to provide the highest standard of patient-focused healthcare in a responsive, supportive, and courteous manner whilst ensuring that all staff and patients are treated equally and with dignity, honesty and respect.

Our Aims & Objectives

We will do this through:

- Maintaining GP Personal lists, preserving traditional family centred medicine and continuity of care.
- Being committed to the needs of our patients and acting with integrity, compassion, and maintaining patient confidentiality.
- Endeavouring to provide a patient centred service, treating each as an individual and aiming to treat in a holistic manner.
- Supporting, educating, and empowering patients to make decisions to improve and maintain their own health and making informed decisions about their care.
- Working collaboratively with other stakeholders and local practices, striving to ensure that the highest quality care is provided for our patients and our communities.

- Valuing sustainability in a way that will improve care for our patients endeavouring to make Newent a 'greener' place to be.
